# Accepting a Consequence

Directions: In the space below, draw a picture of a time when you were given a consequence (good or bad). Who gave you the consequence? How did you handle the consequence? If it was a negative consequence, what could you do differently next time?

# Asking for Help

Directions: Go over the steps to asking for help in the "Skills to Work on with an Adult" section. Keep track of each time that you *ask for help* in 24 hours below. Then, at the end of the day, check in with yourself and write down how you think you did with this skill.
